Community Reviews. THE RECONSTRUCTIONIST by Nick Arvin is an engineer's thoughtful unfolding of the mundane: through the author's insight and remarkable attention to detail, the story makes the ordinary extraordinary. In a word, it's a novel about accidents—an examination of choices the average reader takes for granted.

Arvin renders these old accidents in such vivid detail that you can almost, but not quite, ignore the contrivance of the setup. As Ellis struggles to chase down Boggs, heâ€™s also piecing together details of his half brotherâ€™s deathâ€™ which, by the time the truth becomes clear, feels swallowed by the plot.
